

Maine Audubon Day Camps

Returning Junior Counselor Volunteer Application

If you're an enthusiastic learner age 14-18 who wants to volunteer again as a junior counselor with Maine Audubon, welcome back! Assisting experienced environmental educators at our day camps for children ages 6-12 will help you build on the leadership skills you've already gained—while having a lot of fun and learning even more about nature.

Day camp sessions are held in the summer and during school vacation in February and April. There is a limit of five junior counselor volunteers per session. Summer camp junior counselors who attend a full two-week session receive a Maine Audubon camp T-shirt.

Deadline for application is April 15.

Please send us this application by mail or fax, or drop it off in person.
